When business moves into the courtroom, clear, compelling and visual testimony is often the difference between winning and losing. Making the complex understandable is the key to success in litigation. That's why so many law firms turn to White Zuckerman for litigation services and expert testimony. White Zuckerman's commercial, personal injury and employment litigation practice analyzes economic damages, provides forensic accounting, identifies fraud, provides liability analysis and presents expert testimony on our findings. With our dedication to diligent research, our understanding and attention to detail of financial records, our knowledge of the changing business environment, and our proven communication skills, we're a lawyer's greatest resource in all areas of commercial, personal injury and employment litigation.

#### **Commercial Litigation**

We are experienced in providing simple, easily understood analysis and testimony to facilitate your case. White Zuckerman and its professionals have been analyzing damages, providing forensic accounting, investigating fraud and quantitatively analyzing liability issues, and testifying on our findings for over 30 years. Our expert witnesses know how to intelligently and concisely present conclusions through testimony and graphical exhibits, enabling juries and/or a trier of fact to properly assess liability issues and damage awards. The commercial practice also performs consulting services in litigation and non-litigation matters.
